

I am Sviatyi Mykolai. I am a kind and caring saint who loves helping people, especially children. I leave gifts under the pillows of all well behaved children every year on December 6th!

Вєртеп
The Nativity

The nativity scene shows baby Jesus in a stable with Mary, Joseph, animals, and the Wise Men, reminding us of the very first Christmas night.

I am the first star on Christmas Eve (Sviatyi Vechir). When you spot me, your family can start their special meal!
